

 **B2B LEGAL HACK**

HOW HOTELS & SMBS LOSE **\$50,000+** TO BURIED CONTRACT TRAPS

90% of business owners sign vendor agreements without reading Section 4.2 auto-renewals. Here is how AI redlines it in 60 seconds.  

THE 3 PREDATORY CLAUSES HIDDEN IN 40-PAGE PDFS

1. Multi-Year Auto-Lock-In

Miss a 10-day cancellation window? You're locked in for another 3 years automatically.

2. 25% Cancellation Penalties

Hidden termination fees that force you to pay for unused software or freight services.

3. Single-Source Supply Trap

Zero liability caps if the vendor delays your component supply chain.

⚡ THE FIX

UPLOAD DOCUMENT \$ RIGHTARROWS\$ GET SAFER COUNTER-TERMS IN 60 SECONDS

Synaps AI scans any PDF contract, flags predatory terms, and writes safer counter-clauses with 100% line-level citations.

✓ Proposed Redline

"Agreement renews on a month-to-month basis with 30 days written notice. Liability capped at 12 months fees."

 **BUILT WITH DOMAIN PASSION**

BUILT BY A **12TH-GRADE** **FOUNDER** IN PUNE, INDIA

Inspired by watching my father manage 3 hotels in India and struggle with endless vendor contract burden.

Zero Model Training Required

Works instantly on any NDA, hotel vendor lease, software agreement, or supplier contract.
